- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. #### ***Transfer of non-chair proxy to chair in certain circumstances***

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
  - the proxy is not recorded as attending the meeting; or

## EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

### 1. ANNUAL REPORT

---

The first agenda item is to receive the Annual Report of the Company for the year ended 30 June 2019.

Section 317 of the *Corporations Act 2001 (Cth)* requires the directors to lay before the Annual General Meeting the Financial Report, the Directors' Report (including the Remuneration Report) and the Auditor's Report for the last financial year that ended 30 June 2019.

The Annual Report is available on the Company's website and a printed copy has been sent to those shareholders who requested it.

In accordance with sections 250S and 250SA of the Corporations Act, Shareholders present at the Annual General Meeting will be provided with a reasonable opportunity to:

- (a) ask questions or make comment to the Directors present on the management of the Company and Remuneration Report; and
- (b) ask questions or make comment to the Auditor about the conduct of the audit and the preparation and content of the Auditor's Report.

No formal resolution to adopt the Annual Report will be put to the Shareholders at the Annual General Meeting.

Shareholders who are unable to attend the Annual General Meeting are able to submit written questions to the Chairman about:

- (a) The preparation and the content of the 2019 Auditor's Report;
- (b) The conduct of the 2019 audit;
- (c) Accounting policies adopted by the Company in relation to the preparation of the 2019 financial statements; and
- (d) The independence of the Auditor in relation to the conduct of the 2019 audit.

The questions will need to be submitted no later than five (5) business days before the Annual General Meeting to the Company Secretary at the Company's Registered Office.

### 2. RESOLUTION 1 – REMUNERATION REPORT

---

In accordance with Section 250R(2) of the Corporations Act, at a listed company's Annual General Meeting, a resolution that the Company's Remuneration Report be adopted must be put to the vote. Section 250R(3) of the Corporations Act provides that the vote on the resolution is advisory only and does not bind the Directors or the Company.

In accordance with Section 300A, the Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel. The Remuneration Report is part of the Directors' Report contained in the Annual Financial Report for the financial year ending 30 June 2019. A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

For personal use only

### Voting Consequences

Under the Corporations Act, companies are required to put to shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company ("Spill Resolution") if, at consecutive Annual General Meetings, at least 25% of the votes cast on the Remuneration Report are voted against the adoption of the Remuneration Report and at the first of those Annual General Meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those Annual General Meetings.

If more than 50% of votes are cast in favour of a Spill Resolution, the Company must convene a shareholder meeting ("Spill Meeting") within 90 days of the second Annual General Meeting. At that meeting, all directors who were in office at the time of the Directors' Report, other than the managing director, will cease to hold office immediately before the Spill Meeting. Those persons who are elected or re-elected at the Spill Meeting will be the directors of the company. Note those directors who ceased to hold office immediately prior to the Spill Meeting may stand for re-election.

Adoption of the 2018 Remuneration Report was passed unanimously on a show of hands at the last Annual General Meeting. Accordingly, a Spill Resolution is not relevant to this Annual General Meeting.

Shareholders of the Company will be provided with the opportunity to ask questions about or make comments on the Remuneration Report.

### **3. RESOLUTION 2 - ELECTION OF NATHAN YOUNG**

---

In accordance with ASX Listing Rule 14.5; a public listed company must hold an election of directors at each annual general meeting.

Clause 61. of the Company's Constitution states that no Director, other than the Managing Director, may hold office for a continuous period beyond the later to occur of the following:

- (a) the third anniversary of the date of the Director's appointment; or
- (b) the date of the third annual general meeting following the Director's appointment or election,

without submitting for re-election.

If no Director is required to submit for re-election but the ASX Listing Rules require an election of Directors to be held, the Director to retire will be the Director who has been longest in office since their last election and, as between persons who became Directors on the same day, the one to retire will (unless they otherwise agree among themselves) be determined by lot. A retiring Director remains in office until the end of the meeting at which the Director retires or vacates office, and will be eligible for re-election at the meeting.

Mr. Nathan Young was last re-elected as a director at the 2018 AGM, having initially been appointed as a director on 21 February 2018. Nathan will retire at the conclusion of this meeting and, being eligible, offers himself for re-election.

Nathan began his career in financial markets over 20 years ago. He holds a Bachelor of Commerce from The University of Melbourne and a Graduate Diploma in Applied Finance and Investment. He has previously been employed by a large Investment Bank and Hedge Fund focused on trading and investment strategies. In these organisations, one of his roles was to evaluate seed capital, pre-IPO and listed investment opportunities in the technology sector.

In 2014, Nathan redirected his focus on a personal basis to early stage investments. He is a co-founder of a disability respite care business, a non-executive director of Bora Bora Resources Ltd, an ASX listed resource explorer, and Appsolute Digital Ltd, an Indonesian based technology developer.

#### 4. RESOLUTION 3 - APPROVAL FOR ADDITIONAL SHARE PLACEMENT CAPACITY

---

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its Annual General Meeting to allow it to issue Equity Securities up to 10% of its issued capital (**Additional Placement Capacity**). For the purposes of ASX Listing Rule 7.1A an 'eligible entity' is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. Aeeris Ltd is an 'eligible entity'. The Additional Placement Capacity is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1 and, as such, if the Additional Placement Capacity is approved, the Directors will be allowed to issue equity securities of up to 25% of the Company's issued share capital without prior approval from shareholders.

The Company seeks Shareholder approval by way of a special resolution to have the ability to issue equity securities under the Additional Placement Capacity, should the need arise. The Company previously sought and obtained shareholder approval under Listing Rule 7.1A. at the 2018 AGM. Approval was sought to allow the Company flexibility to issue additional capital should a suitable opportunity arise. It did not however, utilise the additional capacity.

As a **special resolution** at least 75% of votes cast by Shareholders eligible to vote at the meeting must be in favour of the resolution for it to be passed.

##### **ASX Listing Rule 7.3A Requirements**

Pursuant to ASX Listing Rule 7.3A. the issue price for each security issued under the Additional Placement Capacity will not be less than 75% of the volume weighted average price for securities in that class over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed; or
- if the securities are not issued within 5 trading days of the date above, the date on which the securities are issued.

The issue of equity securities under the Additional Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in the table below). There is also the risk that:

- the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

Table 1 following shows the dilution of existing Shareholders calculate in accordance with the formula outlined in ASX Listing Rule 7.3A.2 on the basis of the current market price of Shares and the current number of ordinary securities quoted on ASX for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% against the current market price.

**Table 1**

Variable "A" Number of Shares on Issue	Dilution			
	Issue Price (per Share)	0.055 50% decrease in Issue Price	0.11 Issue Price	0.22 100% Increase in Issue Price
<b>59,973,858</b> (Current number of Shares on Issue)	<b>10% Voting Dilution</b>	5,997,386 Shares	5,997,386 Shares	5,997,386 Shares
	<b>Funds Raised</b>	\$329,856	\$659,712	\$1,319,425
<b>89,960,787</b> (50% increase in Shares on Issue)	<b>10% Voting Dilution</b>	8,996,079 Shares	8,996,079 Shares	8,996,079 Shares
	<b>Funds Raised</b>	\$494,784	\$989,569	\$1,979,137
<b>119,947,716</b> (100% increase in Shares on Issue)	<b>10% Voting Dilution</b>	11,994,772 Shares	11,994,772 Shares	11,994,772 Shares
	<b>Funds Raised</b>	\$659,712	\$1,319,425	\$2,638,850

The above table is based on the following assumptions:

- The number of shares on issue (variable "A") is calculated as 59,973,858 being all fully paid ordinary shares quoted on ASX as at the date of this Notice.
- The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of equity securities under the Additional Placement Capacity and not under Listing Rule 7.1.
- The issue of equity securities under the Additional Placement Capacity includes only Shares.
- The issue price of \$0.11 was the closing price of shares on ASX on 6 September 2019.

Equity securities under the Additional Placement Capacity may be issued until the earlier of:

- the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- the date of approval by ordinary shareholders of a significant change to the Company's activities under ASX Listing Rule 11.1.2 or the date of approval by ordinary shareholders of a disposal of a major asset under ASX Listing Rule 11.2.

To be clear, any approval of the Additional Placement Capacity at this Annual General Meeting will cease to be valid in the event that ordinary shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2.

The Company may issue equity securities under the Additional Placement Capacity for the following purposes:

- non-cash consideration: for the acquisition of new assets and investments (in such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3); or

- cash consideration: to raise funds for the exploration and development of the Company's existing assets, the acquisition of new assets or investments (including assets associated with such acquisition), to repay debt or to fund working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any equity securities under the Additional Placement Capacity.

The Company's allocation policy for issues under the Additional Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including rights issues or other issues in which existing shareholders may participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from the Company's advisors.

As the Company has no current plans to undertake a new capital raising, the allottees under the Additional Placement Capacity have not yet been determined but if such an exercise was undertaken, allottees may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

The Company obtained shareholder approval under LR 7.1A at the previous AGM however it did not utilise its placement capacity under this rule. In the 12 months preceding the date of the meeting, the Company issued 3,315,000 fully paid ordinary shares in the capital of the Company representing 5.85% of the fully paid ordinary shares on issue at the commencement of the 12 month period (56,658,868). All of these shares were issued on exercise of Performance Rights which were issued to directors and employees under the Company's Incentive Performance Rights Plan as approved by Shareholders at the Company's 2018 Annual General Meeting held 18 October 2018. Details of all issues as required by Listing Rule 7.3A.6(b) can be found in the attached Schedule 1.

A voting exclusion statement has been included in this Notice. However, as at the date of this Notice, the Company has not approached any particular existing Shareholders to participate in the issue of equity securities under the Additional Placement Capacity. No existing Shareholders' votes will therefore be excluded under the voting exclusion in the Notice.

When the Company issues equity securities pursuant to the Additional Placement Capacity, it will give to ASX:

- a list of the allottees of the equity securities and the number of equity securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- the information required by Listing Rule 3.10.5A for release to the market.

For your vote to be effective it must be recorded before 10:30am (Sydney Time) on Saturday 2 November 2019.

### TO VOTE BY COMPLETING THE PROXY FORM

#### STEP 1 APPOINTMENT OF PROXY

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

#### Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

#### STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

#### Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.

#### STEP 3 SIGN THE FORM

The form **must** be signed as follows:

**Individual:** This form is to be signed by the securityholder.

**Joint Holding:** where the holding is in more than one name, all the securityholders should sign.
