

## 2018 Corporate Governance Statement

The Company has adopted comprehensive systems of control and accountability as the basis for the administration of corporate governance. The Board is committed to administering the policies and procedures with openness and integrity, pursuing the true spirit of corporate governance commensurate with the Company's needs.

To the extent applicable, the Company has adopted The Corporate Governance Principles and Recommendations (3rd Edition) as published by ASX Corporate Governance Council (**Recommendations**).

In light of the Company's size and nature, the Board considers that the current board structure is a cost effective and practical method of directing and managing the Company. As the Company's activities develop in size, nature and scope, the size of the Board and the implementation of additional corporate governance policies and structures will be reviewed.

The Company's main corporate governance policies and practices as at the date of this Annual Report are outlined below. The Company's full Corporate Governance Plan is available in a dedicated corporate governance information section of the Company's website. The information in this Statement has been approved by the Board and is current as at the date of the Annual Report.

### **Role of the Board and management**

The Company has clearly defined the respective roles and responsibilities of the Board and management which are detailed in the Board Charter available on the Company's website.

The Board Charter also sets out the matters expressly reserved to the Board and those delegated to management.

### **Appointment, induction and training**

In selecting new Directors, the Board ensures that candidates have the appropriate range of skills, experience and expertise that will best complement Board effectiveness.

The Company ensures that appropriate background checks are undertaken regarding a potential new Director's character, experience, education, criminal record and bankruptcy history before appointing or putting forward a Director to shareholders for election as a Director.

The Company also provides its shareholders with all material information in its possession that is relevant to their decision on whether or not to elect or re-elect a Director through the Notice of Meeting, Director resumes and other information contained in the Annual Report and on the Company's website.

Upon appointment, each Director will receive a written agreement which sets out the terms of their appointment. New Directors will also attend an induction program where they are briefed on the Company's:

- operations and the industry sectors in which it operates;

For personal use only

- financial, strategic, operational and risk management position;
- governance matters, policies and procedures; and
- the Director and committee member's rights, duties and responsibilities.

Directors are provided with regular professional development opportunities to develop and maintain the skills and knowledge needed to perform their role as Directors effectively.

### **Company Secretary**

The Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board. The role of the Company Secretary is set out in more detail in the Board Charter.

### **Diversity Policy**

The Company is committed to ensuring an inclusive workplace that encourages and embraces diversity. The Company has a Diversity Policy which provides a framework for the Company to achieve workplace diversity and includes requirements for the Board to set measurable objectives. The Diversity Policy is available on the Company's website.

The Board has not established measurable targets for achieving gender diversity across the Company at this stage due to the Company's size and its development stage. It will review gender diversity and measurable targets as it grows.

The respective proportions of men and women on the Board, in senior executive positions and across the Company are as below:

	<b>Men</b>	<b>Women</b>
<b>Board</b>	100%	0%
<b>Senior Executives*</b>	50%	50%

\* Direct reporting line to the CEO (see Management section of this Statement)

### **Board performance**

The Company believes it is important that the Board reviews its own performance to ensure it is performing to a high level. Under the Board Charter, the Board must conduct an annual performance review. The Charter sets out the process for this review.

The Company completed an informal Board review in 2018.

### **Senior Executives**

- written agreements which set out the terms of their appointment;
- a process for periodically evaluating their performance; and

The Board takes responsibility for setting appropriate remuneration levels for directors and senior executives. The Board addresses succession issues and ensures the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively through review and assessment.

#### **Audit and Risk committee**

The Board has established an Audit and Risk Committee. It has three members, one of whom is independent, and is chaired by a non-executive director who is not the Chairman of the Board. A copy of the charter of the Audit and Risk Committee in available on the Company's website.

#### **Board skills and experience**

The length of service of each Director is set out in the Directors' Report of the Annual Report and on the website.

The skills and experience of the Directors are set out in the matrix below:

Experience	Industry
Corporate Advisory	Investment Banking
M&A transactions	Environmental
Corporate Finance	Defence
Entrepreneurial activity	Publishing
Funds Management	TMT

#### **Independence of the Board**

The Board assesses the independence of Non-executive Directors against the definition of independent Director and the factors set out in Box 2.3 of the ASX Corporate Governance Principles and Recommendations.

Currently the Board comprises one independent director. Given the Company's background, the nature and size of its business and the current stage of its development, the Board believes that this is both appropriate and acceptable at this time. The Board will review its composition periodically and has the intention to appoint appropriate independent Directors as required.

The Chairman is not independent and is the same person as the CEO. The Board considers the Chairman is suitably skilled to perform this dual role at this time due to his experience and expertise in the areas in which the Company operates and the size and complexity of the Company.

#### **Code of Conduct**

The Company is committed not only to complying with its legal obligations, but also to acting ethically and responsibly. The Company expects a high level of honesty, care, fair dealing and integrity in the conduct of all business activities.

For personal use only

The Company has a Code of Conduct which sets the minimum standards of conduct expected of all Directors, officers, executives, employees and contractors of the Company. The Code of Conduct is available on the Company's website.

#### **CEO & CFO Declaration**

The Company has received a declaration from the CEO and CFO function that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the biases of a sound system of risk management and internal control which is operating effectively.

#### **External Auditor**

The Company's external auditor, Mr. Mark Schiliro from MNSA Pty Ltd, attends the Company's Annual General Meeting (AGM) and is available to answer questions from shareholders relevant to the audit at the AGM. MNSA Pty Ltd independence declaration is contained in the Directors' Report in the 2018 Annual Report.

#### **Continuous disclosure**

The Company must comply with continuous disclosure requirements arising from legislation and the ASX Listing Rules. The Company has in place a written policy for complying with its continuous disclosure obligations under the ASX Listing Rules. The Continuous Disclosure Policy is available on the Company's website.

#### **Investor Relations**

The Company is committed to regularly communicating with its shareholders in a timely and accessible manner, and to encouraging shareholder participation at its general meetings.

The Company also has Shareholder Communications Policy which facilitates effective two-way communication with investors, as well as facilitates and encourages participation at meetings of security holders. The Shareholder Communications Policy is available on the Company's website.

#### **Risk**

The Board, through the Audit and Risk Committee, oversees the Company's risk management framework and internal control systems through regular monitoring, assessment and review.

The Board is required to review at least annually the effectiveness of the Company's risk management and internal control systems. An internal review was conducted in 2018.

The Board reviews and assesses the Company's exposure to economic, environmental and social sustainability risks and determines the Company's approach to managing those risks.

### **Internal Audit**

The Company does not have an internal audit function at this time, and due to its size and current activities the Board does not believe one is warranted at this time. The Board evaluates and monitors internal control processes to continually improving the effectiveness of its risk management.

The Board independently reviews, verifies and safeguards the integrity of its corporate reporting, including regularly monitoring the appointment and removal of the external auditor and the rotation of the audit engagement partner.

### **Remuneration**

The Board has a number of processes it employs for setting the level and composition of remuneration for Directors and ensuring that such remuneration is appropriate and not excessive. These are described in the Remuneration Report of the Annual Report. The Remuneration Report also includes a summary of our policies and practices regarding the remuneration of Directors.
